NOTIFICATION OF DOCKET ENTRY

This docket entry was made by the Clerk on Tuesday, December 19, 2023:

MINUTE entry before the Honorable Jeffrey I Cummings: Plaintiff's motion for a preliminary injunction [19] is granted. Plaintiff's filings establish that it has acted expeditiously to protect its interests and that there remains a significant risk defendants will transfer relevant assets beyond the Court's reach. For these reasons, as well as the reasons provided in the whole of plaintiff's filings and as stated by the Court in connection with entry of the TRO, the Court is persuaded that plaintiff has satisfied the requirements for a preliminary injunction. In addition, the Court finds that the balance of harms favors plaintiff and that a preliminary injunction serves the public interest by, among other things, protecting consumers from the marketing of counterfeit goods. Plaintiff has also certified and established [25] that it provided electronic notice to defendants of the pendency of this case and provided a link to a website containing relevant case documents, but no objection to the motion for a preliminary injunction has been filed on behalf of any remaining defendant. In light of the voluntary dismissal of additional defendants on 12/17/23, plaintiff shall submit an updated proposed preliminary injunction order to the Court's proposed order inbox by 12/20/23. Plaintiff's counsel is directed to ensure that all defendants listed on Schedule A are added to the court's docket within five business days. The Clerk is requested to unseal any previously-sealed documents. Mailed notice (cc,)

ATTENTION: This notice is being sent pursuant to Rule 77(d) of the Federal Rules of Civil Procedure or Rule 49(c) of the Federal Rules of Criminal Procedure.
